STRATUMPARK.CO.UK

Stratum Park is a major new development on the intersection of the A18 and M181 in Scunthorpe, Lincolnshire.

Scunthorpe is one of the UK's major industrial locations. Long known for steel production, the town has diversified into a range of manufacturing sectors. Major occupiers include **British Steel, Wren Kitchens, Gands, OSI Food Solutions,**

Jotun Paints, 2 Sisters Food Group, Bulten, Canpack, Liberty Merchant Bar, Billington Foods, and Corrbord.

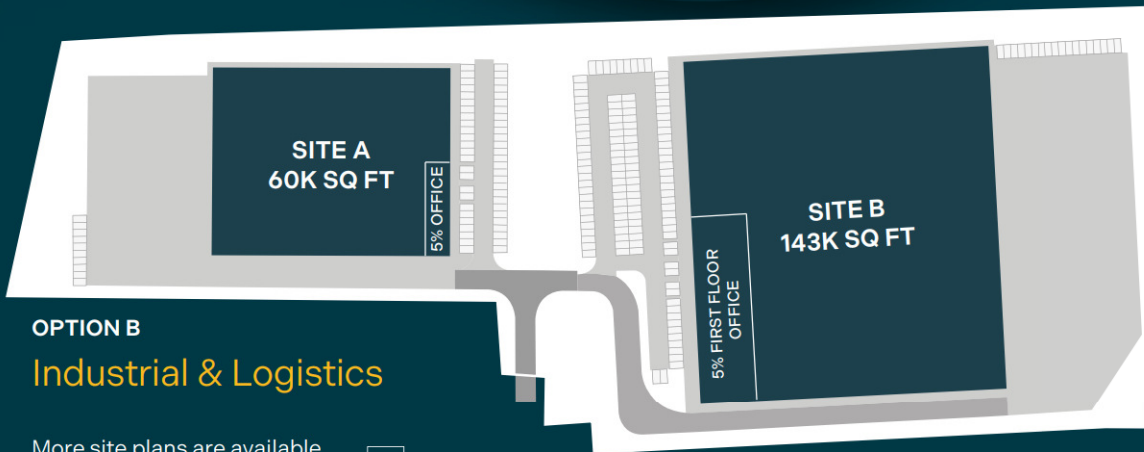

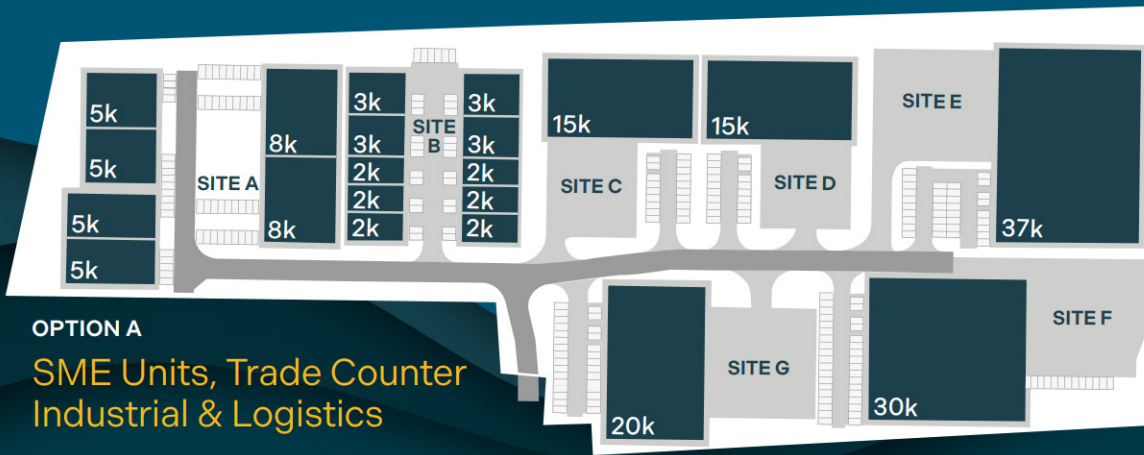

Scunthorpe is also well-placed for local and national logistics operations. The cities of Hull, Sheffield, Leeds, York and Lincoln all fall within 1 hour by van, whilst over 34.5 million people live within 4.5 hours by HGV.

Located on a major route into Scunthorpe, Stratum Park also offers the potential for roadside retail, subject to planning. The park

builds upon the established **Gallagher Park**, a major retail destination counting **Tesco Extra, Aldi, TK Maxx** and **B&Q** as occupiers.

On the opposite side of the A18 are a number of drive-thru and fast food retailers, as well as a hotel, plus the home ground of **Scunthorpe United**.

Stratum Park is being bought forward by established developer Lindum Group. Subject to planning, grade-A design and build units can be delivered within 12 months.

DESIGN & BUILDS FROM 4,000 TO 150,000 SQ FT

Stratum Park offers a highly flexible development platform.

ADAPTABLE LOCATION

The site is due to be allocated for employment including industrial, logistics, and trade counters. Our illustrative plans show how the site can accommodate a mixture of small industrial and trade counter units, scaling to large industrial logistics opportunities.

LEADING SPECIFICATION

Every build at Stratum Park will benefit from a leading specification designed to provide durable service and low running costs.

Occupiers can also choose from a wide range of sustainability options to suit their green agendas.

FAST OCCUPATION

Lindum Group's established construction platform can deliver build to suits in as little as 12 months, subject to planning and agreement of terms.

LOCATION

Situated at the junction of the A18 and the M181, Stratum Park is well-placed to provide regional and national access.

Occupiers will enjoy excellent access to the most populous urban areas of the North, the East Coast, and the Midlands.

AT THE HEART OF THE LINCOLNSHIRE LAKES

Located immediately adjacent to Stratum Park to the west and south of Scunthorpe, Lincolnshire Lakes is an ambitious and transformative urban project.

Lincolnshire Lakes will significantly boost Stratum Park as a location of strategic importance within the region.

The £1.2 billion initiative aims to create several vibrant and sustainable communities by harnessing the region's natural assets, including its network of lakes and waterways.

Some 6,000 homes are currently planned for Lincolnshire Lakes, mainly clustered along the M181. The development is being actively promoted by the local authorities, with the homes being delivered within the next five years.
