ARK MARKHAM VALE

ARK is a brand-new industrial and logistics hub situated within the award-winning Markham Vale development in Derbyshire. Local and global occupiers can enjoy 90,200 sq ft space available across 3 units.

Available to occupy now, ARK has been designed with the latest requirements in mind, providing four high-specified and sustainable units with access to up to 500kva power.

The site is strategically positioned at the core of the UK's motorway network, just 1.2 miles from Junction 29A of the M1. ARK is ideally located close to Sheffield, Nottingham and Derby, which together provide extensive skilled labour pools. ARK sits within Markham Vale an established and well-connected industrial, manufacturing, and logistics destination where occupiers can benefit from a wealth of great value local skills, talent and expertise.

ARK is being delivered through Origin – a newly established joint venture platform created by HBD and Feldberg Capital, whose track record of creating exceptional industrial and logistics solutions for international and local operators is second to none.

ABOUT US

ORIGIN

Origin is a leading platform focused on creating innovative, sustainable spaces that set new standards in the industrial and logistics sector. Formed by HBD, part of Henry Boot and Feldberg Capital, two like-minded operators with an ambitious vision for the sector. The partnership combines HBD's status as one of the UK's most active and respected property developers, and Feldberg Capital's expertise as a purpose-driven real estate investment manager founded by industry leaders.
