Park Hill Provisions Park Hill

Commercial
investment for sale

£270,000 / 9.02% NIY

2,655 sq ft

Conceived in the 50s by Sheffield City Council architects Ivor Smith and Jack Lynn, they had a vision that would transform the way people lived and worked.

Years of under-investment left the infamous Park Hill estate in a state of decline. Yet, in recognition of its architectural and social importance Park Hill was Grade II Listed by English Heritage in 1998, becoming the largest Listed building in Europe.

Urban Splash fell in love with the brutalist giant. We had a vision to regenerate the notoriously neglected estate into a place people would love to live in again.

We're creating a vibrant and sustainable neighbourhood for the 21st Century. A neighbourhood filled with creativity and culture. We're looking firmly to the future whilst respecting the history of this iconic building.
